## PROFESSIONAL EXPERIENCE

**Cleveland Metroparks** | Cleveland, OH

Director of Project Development | November 2025- Present

Project Development Manager | January 2023- Present

Project Coordinator | July 2021- December 2022

Manages and tracks the Planning and Design departments development and progress of capital projects across the Metroparks 18 Reservations, and Zoo.

- Organizes department staff and coordinates efforts with engineers, architects, planners, land conservationists, and real estate managers to ensure cohesive project execution.
- Acts as a liaison to the finance department, ensuring strict adherence to project budgets, financial controls and grant reporting.
- Assists in the creation of project scope, goals, and alternatives for facility and property modifications, conducting detailed analyses of project timing and economic impacts.
- Completes yearly department budget of over \$10 Million dollars and manages funding sources including grants, donations and capital funds.
- Recommends process improvement measures and productivity enhancements to streamline operations and align with laws.
- Regularly updates and collaborates with leadership team and other park departments on capital projects, ensuring their input and direction are incorporated effectively.

**Cuyahoga Community College** | Cleveland, OH

Project Manager | December 2017 - June 2021

Assisted in achieving department goals in the development and implementation of College-wide improvement projects of various sizes. Completed strategic planning initiatives of over 200,000 square feet of new and renovated spaces totaling over \$100 Million in project cost across colleges' campuses.

- Coordinated the selection of design and construction teams using required procurement forms and prepared solicitation documents.
- Made recommendations for best value selections and guided proposal preparation and legal agreement completion.
- Acted as liaison between campus leadership / stakeholders and design / construction teams from initial planning stages through construction completion and warranty periods.
- Monitored overall project budgets, solicited proposals for additional services and reviewed change orders. across colleges campuses.

## OTHER RELEVANT EXPERIENCE

Robert P. Madison International | Cleveland, OH  
Project Designer | November 2013 - December 2017

Designed architecture projects for commercial industry clients, ranging from educational, hospitality and institutional sectors. Responsibilities included:

- Completed various tasks to develop a comprehensive understanding of the architecture and design process.
- Developed, edited and completed contract documents and drawings for mid to large scale projects.
- Conducted feasibility studies and produced sketches and drawings from schematic designs through bidding.
- Provided technical review and oversight of drawing production and coordination among design team members.
- Monitored construction progress and responded to field questions to ensure alignment with design intent.

Habitat For Humanity | Americorps Member  
Charlotte, NC | August 2011 - July 2013

Completed 3400+ hours of service in the greater Charlotte area working to improve neighborhood quality of life and support affordable housing access. Key responsibilities included:

- Assisted and supported families throughout the home ownership process, providing guidance and education.
- Implemented the Neighborhood Revitalization Initiative [NRI], as a community liaison and Habitat representative for local outreach and development projects.
- Analyzed and created neighborhood asset maps to inform planning and engagement strategies.
- Led outreach efforts in collaboration with grassroots organizations and community partners.
- Forged partnerships with public and private stakeholders to advance community-driven initiatives.
- Supervised weekly volunteer groups and Habitat families on residential construction projects, delivering direction and safety training.
- Prepped building sites and performed hands on construction and building tasks from site work through final occupancy.

## CREATIVE PRACTICE & COMMUNITY COLLABORATION
